

Hygivo

Fitness to work record

Business: _____ Location: _____

Food handlers must tell a manager before work if they have symptoms such as diarrhoea or vomiting, or an infected wound or skin condition.
Use the questions on the FSAI fitness to work assessment (SC7). Keep any health details private, and only as long as needed.

Date	Name	Reason (new starter, returning, routine)	Told to report illness before work (Y/N)	Fit to work with food (Y/N)	If not: what was agreed	Staff signature	Manager signature

Free template from [hygivo.com](#). This record is not medical advice: if in doubt, the person should not handle food and should speak to their doctor. Hygivo is not affiliated with or endorsed by the FSAI.
