Pest control check log

Business: _____ Location: _____ Pest control contractor and phone: _____

Check every food area at least weekly, and whenever you see something. Look behind and under equipment, in stores and near bins.

If you find signs: protect or discard any food at risk, clean and disinfect, call your pest control contractor, and write what was done.

Date	Area checked	Signs of pests (Y/N)	What was seen (droppings, gnawing, insects, nests)	Proofing OK: doors, drains, gaps (Y/N)	Traps / units checked (Y/N)	Action taken	Initials
